TO PERPETUAL FEDERAL SAVINGS AND LOAN ASSOCIATION  
(LOAN NUMBER \_\_\_\_\_)

**25. Adjustable Interest Rate Provisions:**

A. The Note delivered by Borrower to Lender and secured by this Mortgage is a adjustable interest rate note authorized under regulations promulgated by the Federal Home Loan Bank Board. The initial rate of interest on the Note is 13.5 % per annum and the maximum rate that may be charged over the life of the Note as it may be renewed shall never exceed 18.5 % per annum. The lien and priority of this Mortgage, from the date of its recording, shall extend to the maximum rate of interest that may be charged under said adjustable interest rate Note.

B. The adjustable interest rate Note secured by this Mortgage is for an initial term of 39 months. The lien and priority of this Mortgage, from the date of its recording, shall extend as if the Note had been made for an original term of 360 months.
