This case came on to be heard by me on the amended verified Petition of Aurelia Tyner on September 8, 1981. The Respondent filed an Answer and Counterclaim wherein the Respondent set up certain defenses which generally can be categorized as a general denial, and the Respondent further asked the Court to order the Petitioner to reimburse him for certain medical expenses, and further asked the Court to investigate the living conditions of the Petitioner as they related to the children. The Petitioner contends in her Petition that the Respondent is in contempt of Court in that he has violated the Order of this Court dated April 24, 1980, in the following particulars: That the Respondent has violated the Property Settlement Agreement, in that he did deed Lot 48, Clearview Circle, Travelers Rest, South Carolina, to Phil Sudduquet, said conveyance Petitioner contends is in violation of the Property Settlement Agreement as recited in paragraph numbered 6 of the said Order of April 24, 1980; that Respondent has violated the mutual restraining order on June 28, 1981, by threatening the Petitioner and by refusing to deliver custody of the children after the expiration of Respondent's visitation rights; and that Petitioner is entitled to an increase in the support payments due to a material change in circumstances since the last order of support on April 24, 1980. The Petitioner is represented by Jesse M. Ray, and that Respondent is represented by Douglas F. Patrick. After hearing the evidence, the Court makes the following findings of fact and conclusions of law:

- 1) That it was intended by the parties that both Lot 48 and Lot 49 be included in the Property Settlement Agreement
