ORDER

A hearing in the above entitled matter was held before me on this day and testimony taken.

From the testimony I find and hold that the monthly payments on the note and mortgage mentioned and described in the Complaint have become extremely burdensome to the Plaintiff, her husband having died intestate leaving his widow and children, the parties to this action, as his sole heirs at law and distributees.

Plaintiff has the opportunity of refinancing the note and mortgage and thereby reduce the monthly payments by slightly more than One Hundred and no/100 (\$100.00) Dollars and asks this Court for permission, on behalf of her children, to so refinance and authorize and direct some suitable person to execute the note and mortgage on behalf of the minor Defendants. It appears to the Court, and I so find and hold, that such arrangement would in no way be detrimental to the interest of the minors. In fact, it would be to their best interest. Now upon motion of C. Victor Pyle, Attorney for the Plaintiff, it is

ORDERED, ADJUDGED AND DECREED that Caroline W. Mattos, Clerk of Court of Common Pleas for Greenville County, South Carolina, be, and she is hereby authorized and directed to execute a note and mortgage on behalf of the minor Defendants, Michael Greene and Lisa Greene to accomplish the purpose sought by this action.

AND IT IS SO ORDERED.
