

duties herein and in the Harnischfeger Security Documents declared on the part of the Trustees or either of them to be had and exercised or to be performed, but only in such particular jurisdiction, and in any such case the Individual Trustee shall be entitled to utilize the facilities of the Trustee and the services of the Trustee's personnel and advisers (including, without limitation, attorneys).

(b) The Individual Trustee, to the extent that he may lawfully so delegate and that the Trustee is permitted by law to exercise the power so delegated, and to the extent that such delegation is not inconsistent with the preceding sentence and does not impair the right, title and interest of the Individual Trustee under, or the validity of the lien of, this Agreement and the Harnischfeger Security Documents, (i) may delegate to the Trustee the exercise of any power, discretionary or otherwise, conferred by the provisions of this Agreement or any Harnischfeger Security Document, and (ii) hereby makes, constitutes and appoints the Trustee, his true and lawful attorney for him and in his name, or in the name of the Trustee, to do and perform all acts necessary or proper in the execution and prosecution of the duties of the Trustees hereunder in as full and ample a manner as he might do personally.
