1. **Payment of Principal and Interest.** Borrower shall promptly pay when due the principal of and interest on the indebtedness evidenced by the Note,  
prepayment and late charges as provided in the Note.

2. **Insurance.** Borrower shall keep all improvements on said land, now or hereafter erected, constantly insured for the benefit of the Lender against loss by  
fire, windstorm and such other casualties and contingencies, in such manner and in such companies and for such amounts, not exceeding that amount necessary

- (B.) Lender agrees that the person qualifies under its then usual credit criteria;
- (C.) The person agrees to pay interest on the amount owed to Lender under the Note and under this Mortgage at whatever rate Lender requires; and
- (D.) The person signs an assumption agreement that is acceptable to Lender and that obligates the person to keep all of the promises and agreements  
made in the Note and in this Mortgage.

If the Borrower sells or transfers the Property and the conditions in A, B, C and D of this section are not satisfied, Lender may require immediate payment in  
full of the Note, foreclose the Mortgage, and seek any other remedy allowed by the law. However, Lender will not have the right to require immediate payment  
in full or any other legal remedy as a result of certain transfers. Those transfers are:
