MODIFICATIONS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note has an initial interest rate of 9.875 \$. The interest rate may be increased or decreased every 12th month on each "Change Date", as described in the Note. Changes in the interest rate are governed by changes in the index as defined in the Note. The index is the weekly average yield on United States Treasury securities adjusted to a constant maturity of one year, as published by the Federat Reserve Board. The maximum change in the interest rate at any one time is 2 percentage points. The maximum interest rate variation over the life of the loan is 5.75 percentage points over or under the initial interest date.

The monthly payment amount may be adjusted every 12th month to take effect on the month following each Change Date as described in the Note. The new monthly payment amount is based on the interest rate in effect on the Change Date and will remain in effect until the month following the next succeeding Change Date.

B. LOM CHARGES

If the loan secured by the Security Instrument is subject to a law which sets maximum interest rates and toan charges and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan would exceed permitted limits, then: (i) the interest rate or any such loan charge shall be reduced to the permitted limit; and (ii) any sums already collected from Borrover which exceeded permitted limits will be refunded to Borrover. Lender may choose to make this refund by reducing the principal of the Note or by making a direct payment to Borrower.

C. CONVERSION FEATURE

- (1) Borrower may, at Borrower's option and provided Borrower has been current on the loan for twelve months prior to the applicable Change Date, modify the repayment terms of the indebtedness secured hereby prior to the first, second, third, or fourth Change Date. At that time, Borrower may convert the adjustable rate loan evidenced by the Note into a fixed interest rate loan to be fully repaid in equal monthly payments of principal and interest over the remaining term of the loan (i.e. 29, 28, 27, or 26 years, depending on the conversion date selected).
- (II) Lender's Micrice of Periodic Adjustment" to Borrover pursuant to paragraph 4(a) of the Note given prior to the first, second, third, or fourth Change Date shall contain the following information pertaining to Borrover's option to convert:
 - (a) the approximate fixed interest rate payable by Borrower if Borrower converts into a fixed interest state from (the actual rate will be the rate in effect on the date the conversion is register).
 - (b) the approximate amount of Borrower's new monthly payment at the fixed rate of Interest; and
 - (c) a date, at least 15 days from the date the Notice is given, by which Borrover sust "lock in" an interest rate by telephoning a number provided and registering the conversion with the Lender, and a subsequent date (no later than the applicable Change Date) by which the Borrover must complete, execute and deliver to Lender a document in the form required by Lender evidencing the modification of the Note to provide a fixed interest rate.
- (III) The fixed rate of interest payable by Borrover will be identical to Residential Funding Corporation's market rate for 45 day registration of 30 year fixed rate, level payment, fully amortized loans on the date the conversion is registered. The new fixed interest rate will become effective on the applicable Change Date,

Borrover's conthly payments at the new fixed interest rate will begin as of the first wonthly payment after the applicable Change Date. The monthly payment will be the amount that is necessary to repay in full the principal Borrover will one (assuming timely payment of all amounts due prior to that date) on
