NOTES

1. Line "A" to "B" from Plat Book 5W-57 Not surveyed.
2. A tract of land owned by John G. Martin, recorded in Deed Book 764-43 (block book 509.2-1-25) is located *South* of heavy dashed line and Armstrong Creek and contains 12 acres more or less according to the description in the deed. Armstrong Creek, which is the joint property line, cannot be reestablished from recorded deeds since they do not have metes and bounds along said creek. At present time no single channel for Armstrong Creek exists and I am unable to locate evidence of the original channel, or if single channel ever existed.

43.5 ACRES INSIDE  
CLOSED AREA. (NOTE: THIS  
DOES NOT CONSTITUTE THE  
ACTUAL ACREAGE SINCE THE  
PROPERTY LINE REFERENCED  
IN NOTE 2 CANNOT BE  
ESTABLISHED.)
