

MICROFILMED

AF 12076

CERTIFICATION

1. () This is to certify that the bearings and distances, and or measurements, shown on this plat are correct, and that all rights of way, easements, and encroachments, obvious and apparent from field observation of the subject property at the time of the survey are as shown.

2. () This is to certify that the area of the subject property shown on this plat was computed by the coordinate method of area calculation and that this is a CLASS CLASS survey.

3. () The Department of Housing and Urban Development Flood Way Data for Greenville County shows this property to be in a flood plain, not to be in a flood plain. Location cannot be determined.
