I hereby certify that the decision of the field survey is 1/3000 as shown hereon and the area was determined by a mathematical area calculation.

We the undersigned property owners, being aware that the metes and bounds of the original division of our property as shown in Deed Book 170 - 126 and 997 - 482, in Greenville County R.M.C. office is in error both mathematical and also in reality on the ground, do agree to the division line (A - B) as shown hereon, having seen the location on the ground and realizing that there is a proportionate loss of acreage.
