Office of Greenville County, in Plat Book 6H at Page 73, and that the property lines, walls and buildings are as shown hereon, that the building located on said lot does not encroach or project on adjacent streets or property, and that no adjacent walls or buildings encroach or project on said premises, and that no utility R/W's cross this property except as shown hereon. According to the Flood Rate Insurance Map and to the best of my knowledge, this structure is not in an Established Flood Zone.
