GEORGE B. CAUTHEN, CLERK  
United States Bankruptcy Court  
Columbia, South Carolina

This Court has previously issued its order dated 4 May 1984 and a Consent Order dated June 18, 1984 in which the Court ordered the sale of debtor's 5.96 acre tract of land to Metromont Materials Corp. for \$200,000.

The previous order dated 4 May 1984 ordered the record keepers of Greenville County to mark the public records to reflect a release of this property from any liens, or encumbrances on the property of record. The Clerk of Court, Caroline W. Mattos and the Register of Mesne Conveyance, Donnie S. Tankersley have asked that they be given a listing of all mortgages, liens, and/or judgments that are to be released from claims on the subject property. This appears appropriate.

As to the RMC Office for Greenville County, the items to be marked by notation on the appropriate indexes, "released from the lien as per the order of the Bankruptcy Court" are:
